Price List

All plants guaranteed to arrive in growing condition, and if not so received, complaint must be made at once. If plants are not satisfactory, I will be just as pleased to receive your criticism as a word of praise. Will aim to send a little smaller plants than I have in the past, as they prove more satisfactory.

I will make no substitutions unless requested to do so.

All plants 15c each except as noted, and postage must be added. Any excess postage sent will be refunded when the order is filled. In no case will you receive a credit slip.

All plants are perennial except as noted: a stands for annual; bi for biennial; s for shade; r for rockery, and n for native.

Orders for \$3.00 or over, postpaid in U. S.

Plants

Achilea nana, very dwarf, r white.	Edraianthus dalmatica a
Achilea sericea, similar, yellow	Erigeron elatior
Achilea roseum	Erigeron linearis n r
Alyssum moellendorfiaaum r	Erinus alpinus alba r
Agrostema coronaria	Eriogonum niveum n r
Aujga genevensis r	Eriogonum umbellatum n r
Anogra pallida n	Eriophyllum pedunculatum n r
Anthemis tinctoria	Erysimum pulchellum r 20c
Aquilegia Mrs. Scott Elliott's	Euphorbia polychroma r
Aquilegia alpina r	Funkia subcordata, white
Aquilegia alpina alba r	plantain lily s r
Aquilegia canadensis	Funkia lanceolata, late, lilac
Aquilegia chrysantha	Gailardia portola
Aquilegia formosa	Geranium incisum n
Aquilegia olympica	Gilia aggregata bi n scarlet
Aquilegia pyrenaica	Gilia
Arenaria cephalotes r	Glaucium Burbank hybrid
Arenaria landriana dwarf r	Globularia cordifolia r
Asperula hexaphilla r	Gypsophila repens r
Asperula humifus, trailing r	Gypsophila paniculata
Aster occidentalis n	Herniaria glabra r, nice be-
Campanula carpatica r	tween stepping stones
Campanula alliariaefolia	Heuchera tenuifolia n a s
Campanula persicifolia	Iberis gibraltarica r
Calamintha alpina r	Iberis sempervirens r
Catananche cearuleo r 20c	Incarvillea delavayi r 20c
Cheiranthus alloni r Siberian Wallflower.	Inula ensifolia r
Cruciadella stylosa r	Iris missouriensis n
Daisy Elder Early	Iris biflora fragrans
Dianthus arenarius r	Iris orientalis, white
Dianthus caesius r	Iris siberica, white
Dianthus dentatus r	Iris siberica, blue
Dianthus deltoides, brilliant r	Iris Dutch mixed, 5c, doz. 40c
Dianthus fragrans r	Iris, Spanish, same price
Dianthus gigantea 3 ft.	Lamium maculatum n r s
Dianthus neglectus r	Leontopodium alpinum
Dianthus semperflorens r	Linum capitatum yellow
Dianthus superbus r	Linum flavum, yellow
Dicentra formosa n r s	Lychnis chalcedonica, scarlet
	Lychnis " salmon, 20c
	Lychnis viscaria, pink

Malvastrum coccinum n
Mimulus cardenalis r s
Oenothera canadensis r
Oenothera marginata
Opuntia polyacantha n
Opuntia fragilis
 Many other Opuntias from
 other states and some cushion
 ion sorts
Oxalis, bronze foliage
Penstemon acuminatus n 2 ft.
Penstemon euglaucia 18 in. n
Penstemon grandiflora 3 ft.
Penstemon glandulosa 2 ft.
Penstemon heterophyllus, r
 8 to 10 inches
Penstemon hirsutus 15 in. r
Penstemon ovatus 15 in.
Penstemon procerus 18 in. n
Penstemon watsoni n 18 in.
Penstemon richardsoni n 18 in.
Penstemon scouleri n shrub, 6
 to 8 in.
 Pansies, Steele's Mastodon,
 25c Doz.
Phlox subulata pink r
Phlox subulata white r
Phlox aculeata r, formerly
 listed as *viscosa*
Phlox muscoides n r, when
 available.
Phlox longifolia r, when
 available.
Potentilla napelensis r
Platycodon grandiflora
Platycodon maresii dwarf r
Pyrethrum roseum
Pyrethrum double, 20c
Pyrethrum aureum r
Saponaria ocymoides r
Sempervivum tectorum r
Sempervivum rubrum dolomi-
tictum r
Sedum acre
Sedum album
Sedum altissimum
Sedum amplexicaul
Sedum dasypodium
Sedum douglasii n
Sedum ewersii
Sedum floriferum
Sedum middendorffianum
Sedum nicaense
Sedum spurium coccinum
Sedum sarmentosa
Sedum sexangulare
Sedum spectabile, white, pink
Sedum telephium
Silene maritima r
Silene orientalis r
Silene schafta r
Statice dumosa r

Sisyrinchium angustifolium r,
 Blue-eyed grass
Thymus marschallium r, low
 creeper, a beauty.
Thymus serpyllum r
Tradescantia virginica
Veronica arguta, 3 ft.
Veronica spicata
Veronica longifolia
Veronica incana
Veronica trehoni r
Veronica prostrata
Valeriana rubra
 Hollyhock, double, red, white,
 yellow.

Lilies

Amaryllis halli, Magic Lily,
 produces foliage in early
 spring much like Narcissus,
 which dies down in June, and
 in August the flower stalk
 appears, and in one week the
 stalks are thirty inches high
 with an umbell of lilies fully
 open. Color, lilac-pink shaded
 with blue, Plant in Sep-
 tember. 25c each.
 Lily *Tenuifolium*, Coral Lily,
 small recurved scarlet. Plant
 in September or October.
 Bulbs which have bloomed
 two years, 15c each.
 Tiger single 15c each
 Tiger double 20c each
 Regale large 25c each
Testaceum large bulbs 1.00
 each
 Concolor, small star-shaped
 scarlet bloom which is neither
 recurved nor nodding, small
 bulbs, 15c each.
 Plant above in October.

I am so late with my list this fall that I am listing the following for fall of 1934;

Allium acuminatum, native, 6 inches high with a rose-pink bloom. Bulbs available from July to Sept. Ea. 5c. Doz. 50c

Allium fallax, 18 inches high with lilac-pink bloom. Available Oct. 1. Each 5c, Doz. 50c

Delphinium leonardi, native, 4 to 6 inches high with many purple flowers with a white eye. Occasionally a pink or white one. A mass of these is quite striking. Available July to Sept. Ea. 5c; doz. 50c

Calochortus eurocarpus, native, has one large basal leaf and a slender stem 12 to 15 inches high and umbel of white flowers. Each petal has a blotch of purple in center. Available July to Oct. Each 5c. Doz. 50c

Erythronium grandiflorum, native. Has miniature recurved yellow lilies on stems 6 to 10 inches high. Leaves are plain green. Available July to Sept. Each 7c; Doz. 75c.

Fritillaria pudica, native. 4 to 6 inches high with 1 to 6 nodding bells 1 1-4 to 1 1-2 inches long of pure gold color.

Olsynium grandiflorum, native. Grows much like "blue-eyed grass" but foliage dies down after blooming. Grows in every respect like Sisyrinchium or blue-eyed grass except that flowers are shades of pink with occasionally one of pure white or purple. The flowers are much larger than Sisyrinchium, an inch across and bloom a month earlier. Available July to September. Clump 15c; Doz. \$1.50.

Mertensia horneri, native, is a little beauty from 4 to 6 inches high, with single stems having umbel of flowers of a deeper blue than *Mertensia virginica*. Available in July and August. These are hard to collect. 15c ea. Doz. \$1.50.

Viola beckwithi, native, 3 inches high with lavender and purple or white and purple bloom. Foliage more finely cut than *Viola pedata*. Available July to September. Per dozen 50c.

Taraxia heterantha taraxifolia native. This has a basal foliage much like a dandelion, with two inch flower stems which have yellow flowers similar to Evening Primrose, to which family they belong. Ideal for rockery, and blooms from spring until frost. Available September and October. 15c each. \$1.50 per dozen.

Muscaria, August to October. Per dozen 25c.

Crocus, mixed. Available Sept. to Nov. Dozen 30c.

Crocus, fall blooming. Available August to September. Dozen 50c.

Balsamorrhiza hookeri native, 6 to 8 in high with daisy-like flowers 2 to 3 inches across of the finest golden yellow I ever saw in a flower. Beautiful rockery plant. 25c each.

Lewesia rediviva, native, white or very light pink, mixed. 20c each. Available now.
